Welcome to a new (built in 2025) and extraordinary single-family waterfront home on the serene and beautiful Hudson Bayou - a premier, tranquil location that feels worlds away while reflecting the vibrancy of the city just moments away. This isn't just a house, it's your gateway to the very best of downtown living, and perhaps a viable in-town condominium alternative, with generous guest parking, low-maintenance landscape and NO ASSOCIATION DUES. Nestled in one of the city's most coveted locations, this beautifully designed residence is just steps from the world-renowned Selby Botanical Gardens- where bayfront beauty, exotic orchids, and lush tropical landscapes await. You are also steps away from the vibrant heart of Downtown Sarasota, the serene Bayfront Park for sunset strolls and events and the city's central marina. Inside you'll be captivated by the thoughtful design and an ingenious use of space throughout. The main floor features a large and comfortable open floor plan of great room and kitchen, a luxurious primary suite, an en-suite guest bedroom plus an office.
